Dan,

Thanks again for the opportunity to review and comment on this plan. The MDA has reviewed the responses for the 60 day review of the Lower St. Croix Comprehensive Watershed Management Plan and does not have any additional comments. We recommend approval at the Central Regional Committee meeting on Oct 8th and final approval on October 28th at the full board meeting.

Subject: State Review Agency Comments on Lower St Croix River CWMP 90-day Final Draft

Colleagues,

This email is to request confirmation of receipt of the **Lower St Croix River Comprehensive Watershed Management Plan** (Plan) developed through the One Watershed, One Plan program. BWSR is requesting final review of the Plan by **September 9, 2020**.

Please focus your review on the planning partnership's responses to any comments you provided in the 60-day review. Let us know if any of your previous comments were improperly addressed or if other changes to the plan as a result of comments from others create a new issue. New comments (e.g. comments to portions of the plan that have not changed from the 60-day review draft) will only be considered if the plan contains a violation of a statutory or rule requirements administered by your agency. If so, please cite the statute or rule and provide an explanation of the violation.

The BWSR Board is anticipated to take action on the Plan at its **Wednesday, October 28, 2020** regular meeting after review and recommendation from the BWSR Central Regional Committee, which is tentatively scheduled to be held on **Thursday, October 8, 2020**.

Please reply to all on this email with final comments. Should you have any questions or identify significant issues during your review please contact me directly.

Thank-you for your time,

Dan
