

WBIF NON- STRUCTURAL AG BMP PROGRAM

Lower St Croix Watershed
Partnership

Standard Processing & Approval of Projects

- 1 Scoring Projects**
Staff will score individual projects utilizing the scoring matrix and complete the project request form
- 2 Project Request**
Staff will submit a project request including scoring to SC if under \$50,000, if > \$50,000 staff will submit to the PC for review and approval, and move to the fiscal agent
- 3 Fiscal Agent Approval**
Fiscal agent approves project/study for funding and executes a subcontract with the partner

Activity 4 Agriculture: Processing & Approval of Projects

- 1 Develop Local Policy**
Each SWCD will develop local cost share policy to encompass the WBIF non-structural ag policy criterion
- 2 Project Request**
SWCD's will submit a project request for allotted funding allocation and obtain a subcontract from the fiscal agent
- 3 Scoring Projects**
SWCD staff will score individual projects utilizing the scoring matrix and project targeting criteria and submit to respective SWCD board for approval
